Summary of advantages for students

❑ Clear career path:

- Define your career goal: UIUC program offers a short path
 - UIUC is a prestigious school in US (top 5 in USnews ranking)
 - Non-thesis program gives a solution to access industry
 - Thesis MS program may have good experience of deep technical
- Pursue advanced study for PhD (Taiwan do need talents)

❑ Light logistics efforts:

- Minimize the “gap year”
- A minor plus: relatively limited competition
